NOTE: Upon rematriculation, students will resume activity in the program and plan that was active before their absence from the University. If a student wishes to declare a different Major than what was previously pursued, he or she must be accepted into the new program and plan by submitting the appropriate document(s). Students wishing to declare a new major within CEAS should consult a CEAS advisor in the Engineering Building, room 127.

REQT - Please indicate the term the student will re-enroll at Stony Brook:

Term (choose one) <input type="checkbox"/> Winter <input type="checkbox"/> Spring <input type="checkbox"/> Summer <input type="checkbox"/> Fall	Year 20
Students that do not attend the semester in which they rematriculate are not eligible to enroll for future semesters. These students must follow the Rematriculation Process for the new semester in which they plan on attending. Rematriculation Form and \$50 rematriculation fee is required.	

Are you currently Suspended or Dismissed?
Students who are currently Suspended or Dismissed, must also petition for a Reinstatement through their Academic Advising Office. Rematriculation will not be processed without approval and submission of Reinstatement. (See page 2 for Academic Advising Office information)

I have received the Rematriculation Information Sheet and acknowledge that it is my responsibility to visit my academic advisor for advisement and to obtain information on graduation requirements, as well as reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as described in official publications.
